Re: 1610 (UT-930) – Greater Sage-Grouse and Sagebrush Habitats on Public Lands

To Whom It May Concern:

Utah County would like to participate as a Cooperating Agency in the National Environmental Policy Act (NEPA) and land use planning processes to evaluate the management of greater sage grouse and sagebrush habitat on Bureau of Land Management (BLM) managed public lands. Please provide more details about this process and send a draft of the Memorandum of Understanding (MOU) documenting Cooperating Agency status to the Utah County Commission Office for review.

Please feel free to contact the Utah County Commission office at (801) 851-8133, or Robert J. Moore, Deputy Utah County Attorney, at robertjm@utahcounty.gov if you have any questions or concerns.
