

Late Mungers Integrated Vegetation Management Project

- Late Mungers Project Boundary
- Commercial Units

IVM Commercial Prescriptions

- Ecosystem Resilience-Intermediate
- Ecosystem Resilience-Open
- Fuels Emphasis
- Long Term
- Near Term

IVM Fuels Prescriptions

- Small Diameter Thinning and Prescribed Fire
- Small Diameter Thinning and Prescribed Fire Maintenance

- Late Mungers POD lines (Potential Wildfire Operational Delineation)
- Communities At Risk

NSO Habitat

- Nesting - Skips No Treatment

Streams

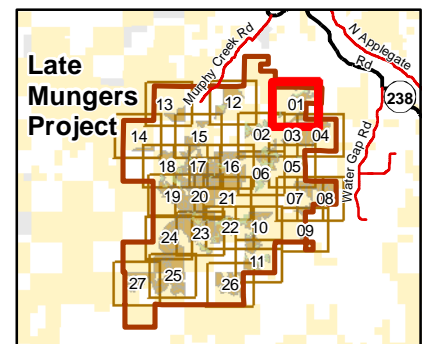

- Perennial
- Intermittant

PROPERTY STATUS

- Bureau of Land Management
- Local Government
- Private Individual or Company

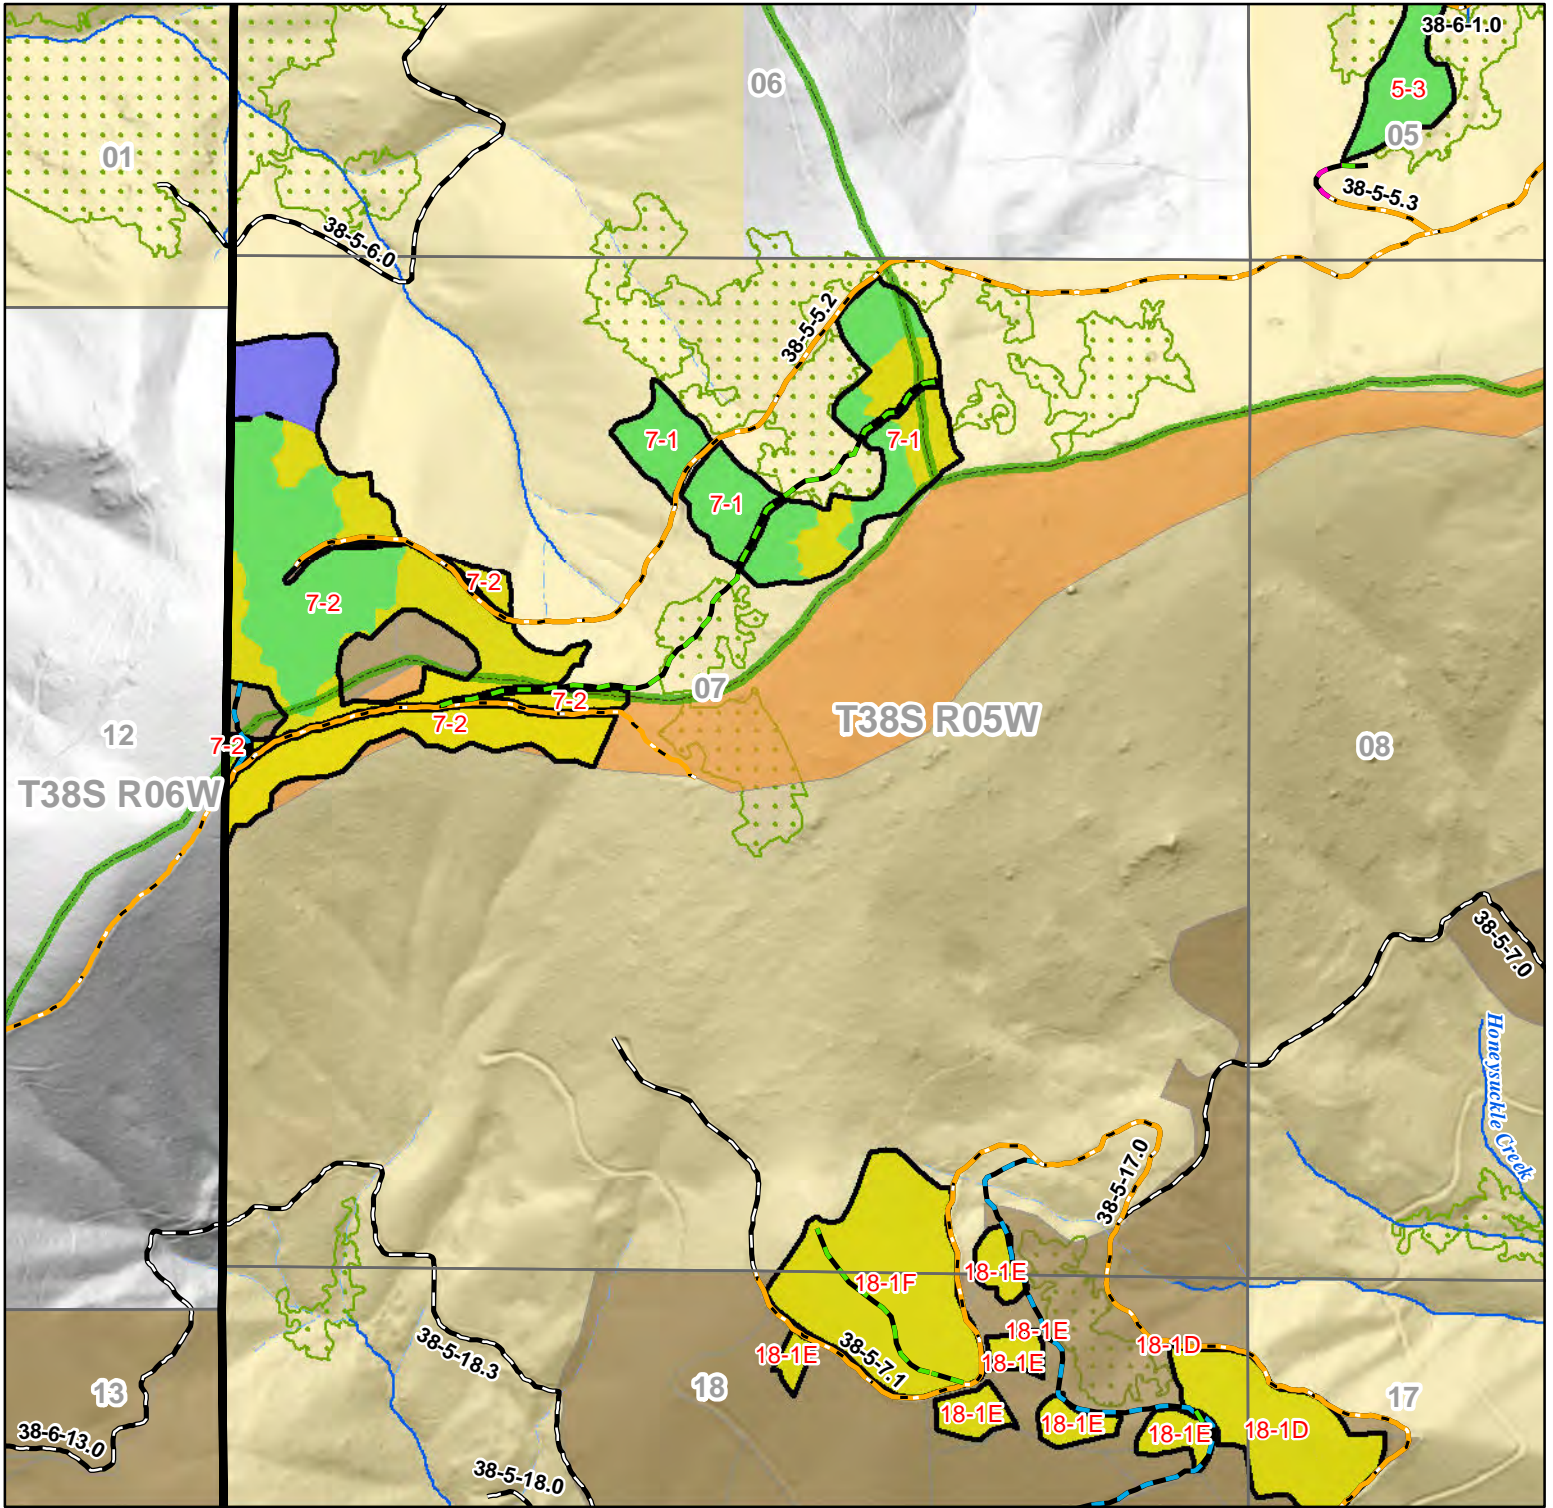

Road Work

- Haul Routes
- Reconstruction
- Temp Construction; Operator Spur
- Temp Reconstruction

Late Mungers Integrated Vegetation Management Project

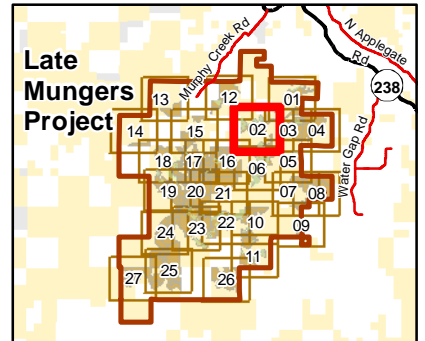

- Late Mungers Project Boundary
 - Commercial Units
- IVM Commercial Prescriptions**
- Ecosystem Resilience-Intermediate
 - Ecosystem Resilience-Open
 - Fuels Emphasis
 - Long Term
 - Near Term
- IVM Fuels Prescriptions**
- Small Diameter Thinning and Prescribed Fire
 - Small Diameter Thinning and Prescribed Fire Maintenance

- Late Mungers POD lines (Potential Wildfire Operational Delineation)
- Communities At Risk

- NSO Habitat**
- Nesting - Skips No Treatment
- Streams**
- Perennial
 - Intermittant

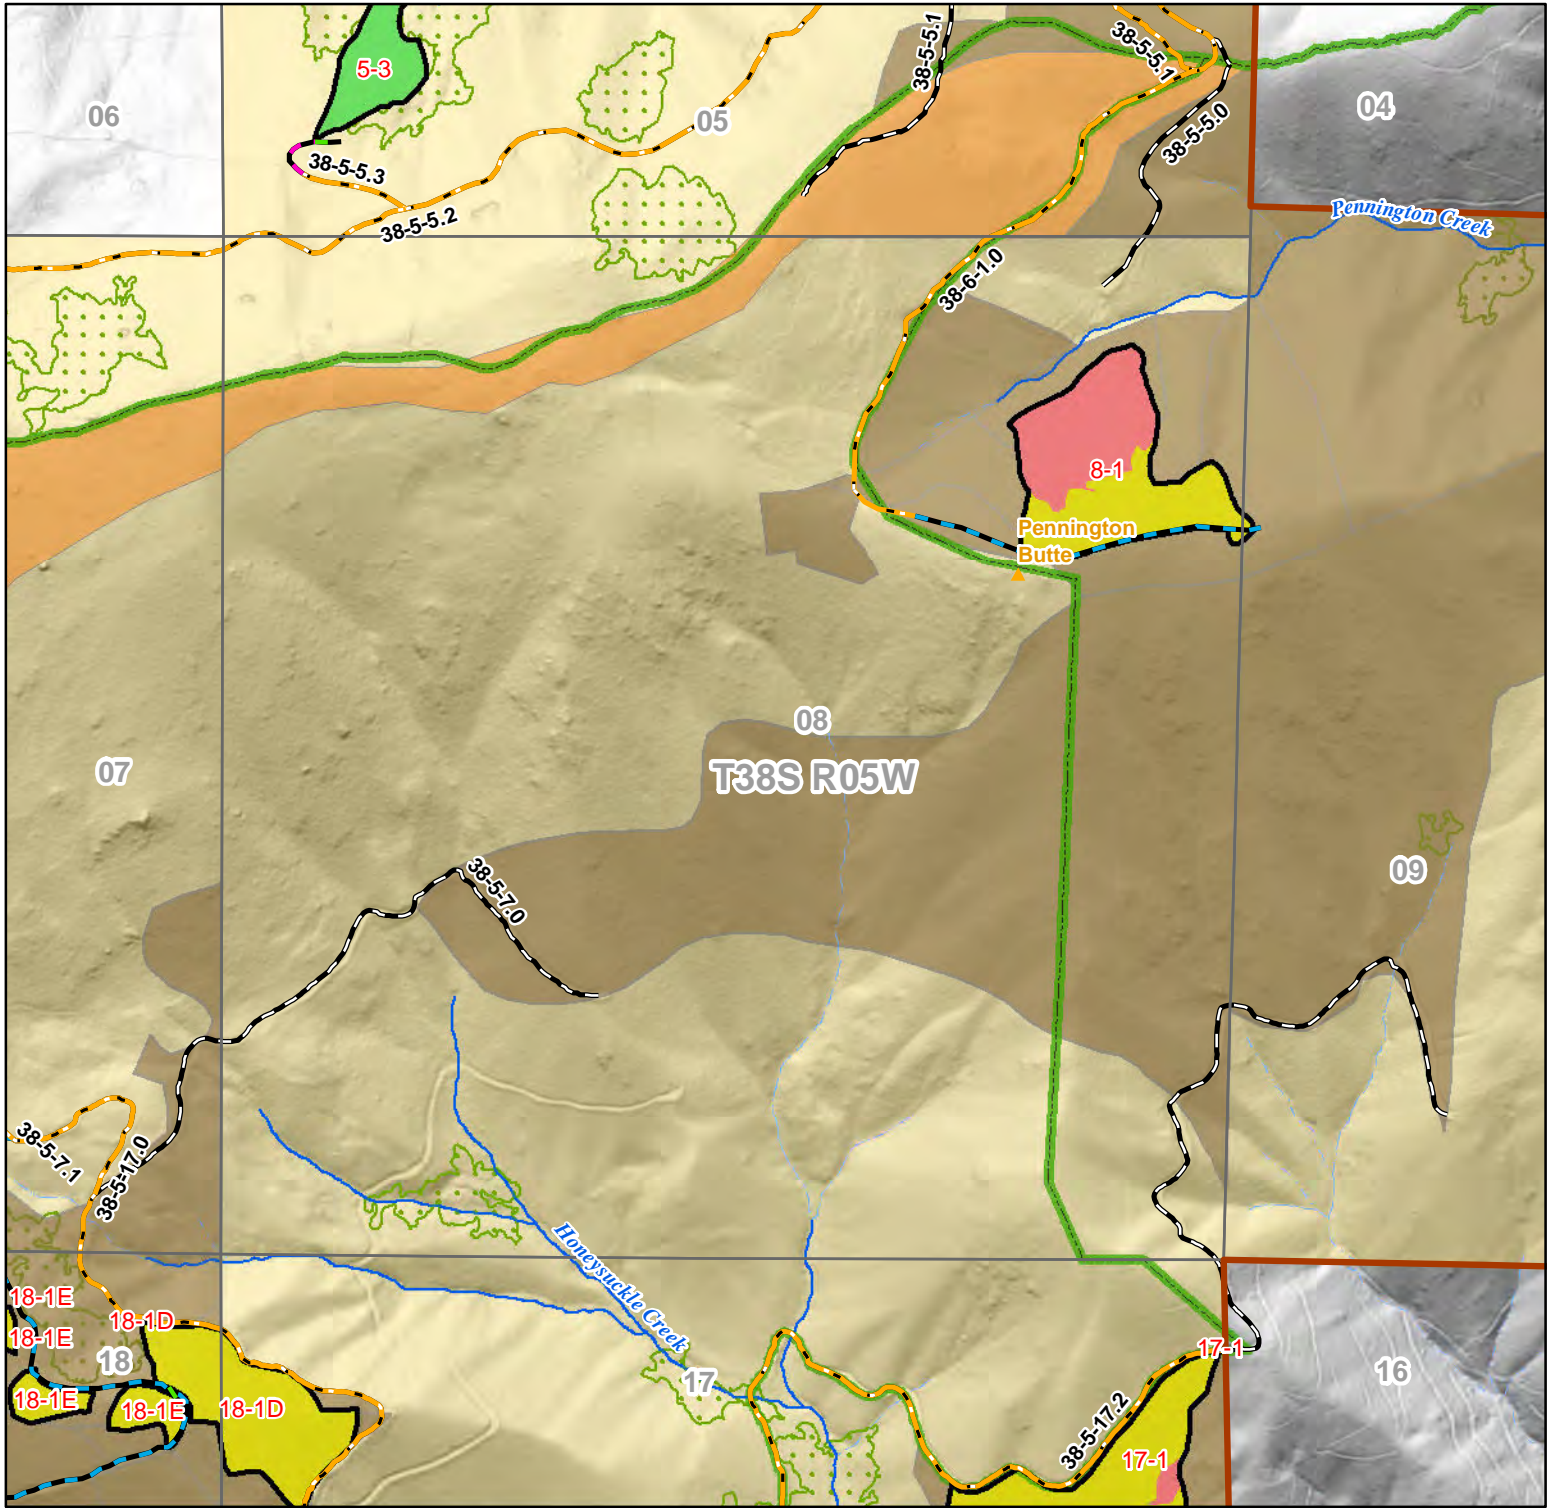

- PROPERTY STATUS**
- Bureau of Land Management
 - Local Government
 - Private Individual or Company

- Road Work**
- Haul Routes
 - Reconstruction
 - Temp Construction; Operator Spur
 - Temp Reconstruction

Late Mungers Integrated Vegetation Management Project
