Dear Reader:

The Bureau of Land Management (BLM) Carson City District, Stillwater Field Office has made available for public review the Preliminary Marietta Burro Range Gather (PEA) (DOI-BLM-NV-C020-2022-0017-EA). The project would occur in the southern Mineral County along the state highway 360 corridor and extending northwest towards Hawthorne, NV. The proposed action is to gather and remove excess wild burros from within and outside the Marietta Burro Range in order to achieve the established appropriate management level (AML). The PEA analyzes the direct, indirect and cumulative effects from implementation of the project. The BLM has preliminarily determined that this project would have no significant impact on the human environment.

The 30-day public comment period is from July 22, 2022 to August 22, 2022. A copy of the PEA is available on-line at: <https://go.usa.gov/xuxxA>. BLM prefers comments to be submitted via the ePlanning website at: <https://go.usa.gov/xuxxA>. Comments may also be submitted via mail to: 5665 Morgan Mill Road, Carson City, NV 89701, via email: blm_nv_ccd_whb@blm.gov or fax at (775)-885-6147.
