To: "blm\_ak\_coastalplain\_EIS@blm.gov" &lt;blm\_ak\_coastalplain\_EIS@blm.gov&gt;

The United States already has nearly as much oil as Russia. We have so much oil that we are exporting it.

What gains a country (or a few business men) to have more oil than anyone else at the expense of our wildlife.

Are we gearing up for war? Or is it greed running amuck.
