Dear Ms. Hayes,

Please do not sell oil and gas leases in the coastal plain! We can never, never go back when it comes to nature.

You can be the heros, or you can be the people who stole this land from the future.

Do the right thing.

We all, humans and non-humans alike, alive now and living in the future, are depending on you to protect this land.

Please be our heros.

Sincerely,

Shannon Goheen
