Dear Ms. Hayes,

I am writing to voice my opposition to oil and gas exploration in the Arctic Refuge. As a geologist I understand the impact that oil exploration has on the surrounding environment, and as an outdoor adventurer I know how important it is to keep wilderness wild. I firmly believe that we need to keep the Arctic Refuge in its current pristine state, where wildlife and people alike can find solitude. That cannot be achieved if it is leased for oil exploration.

Thank you for your time,
Sara Gallagher
