Please do not alter the Arctic National Wildlife Refuge in ANY way!  
Leave it as one of our natural treasures.  
Leave it for all the animals that call the Refuge home!  
Leave it intact for generations to come and for them to enjoy.  
It is the only way to go.

Sincerely,  
Gabriele Frei  
Tenino WA 98589

"We can judge the heart of a man by his treatment of animals"  
Immanuel Kant, German Philosopher
