Good morning,

Are the below list of waters, which are depicted on the attached maps, under Bureau of Land Management's jurisdiction and in scope for the Federal Coastal Plain Oil and Gas Leasing Program? It is not clear whether they are state or federal waters with respect to oil, gas, and mineral ownership.

- Arey Lagoon
- Kaktovik Lagoon
- Bernard Harbor
- Jago Lagoon
- Tapkaurak Lagoon
- Oruktalik Lagoon

I appreciate any insight.

Thank you,

Kevin McCarty, CPL
