Hello,

I work as a guide in summer rafting and hiking in the Arctic Refuge for Arctic Wild, in the fall I work guiding Polar Bear watchers for Wild Alaska Travel. I strongly oppose drilling or any oil exploration in the Arctic Refuge Coastal Plain.

People come from all over the world to see the wildlife, culture and unique landscape that is the Arctic Refuge. Drilling there and risking destroying that for short term gains for oil interest is a horrible idea. Let's maintain the Refuge as it is for the Native people and the native wildlife. Please- no drilling!

Thanks

Jason Matthews
