To: blm_ak_coastalplain_EIS@blm.gov

My family and I would like to register our concerns and strong negative view regarding the plan to develop oil and gas leases in the Arctic National wildlife Refuge.

We have one earth and we must do everything we can to preserve our home for future generations. We must move to renewable energy, we must decrease our dependence on petroleum products and certainly we MUST NOT develop those untouched wild and natural areas.

sincerely

Stephen and Lori Markowitz
