To: "blm\_ak\_coastalplain\_EIS@blm.gov" &lt;blm\_ak\_coastalplain\_EIS@blm.gov&gt;

To whom it may concern,

I am against opening the area known as the Coastal Plains in Alaska for gas and oil drilling. Neither our national or local interests will be served for the best. The environmental risks are too high, and the indigenous peoples who have lived in this area for thousands of years depend on the animals in this region for their livelihood.

With respect,
