To: "BLM_ak_coastalplain_EIS@blm.gov" <BLM_ak_coastalplain_EIS@blm.gov>

The Refuge was created (like any other refuge) because of all the resources that needed to be protected. What has changed that they no longer need to be protected? To put the area at risk because of greed is ridiculous.

The remoteness makes it less likely that anyone would know what is threatened. If it was Zion or Denali, would the lack of concern be the same?

Please, please keep the refuge a refuge.
