To: "blm\_ak\_coastalplain\_EIS@blm.gov" &lt;blm\_ak\_coastalplain\_EIS@blm.gov&gt;

Please manage the Arctic National Wildlife Refuge for the benefit of wildlife, not the oil industry, and please do not allow oil drilling or exploration in this rare and fragile habitat. Oil exploration and drilling are not part of the mission of the National Wildlife Refuge system, and there is no place for this activity inside a Refuge.
