Dear BLM Alaska,

As a taxpaying member of the United States I urge you NOT to lease any part of the arctic refuge for oil and gas exploration or extraction. Our FIRST priority in this great nation should be in keeping our wild and pristine areas as pure as possible for wildlife and future generations. We must do everything possible in this regard and not give in to special interests and industry whose main goal is profit.

Thank you,
Gabriel Tempesta

Sincerely,

Gabriel Tempesta
