hi,
i'm writing to tell you that the arctic national wildlife refuge needs to be protected, not raped and pillaged for the sake of the oil and gas industry and those who profit from it. the people who live on this land, the animals who life on this land, the land itself -- they're all sacred and to be respected. please stop letting our future be ruined in order to push forward a war-creating, dirty, non-sustainable industry.
sincerely,
kari tenfjord
