To: "blm_ak_coastalplain_EIS@blm.gov" <blm_ak_coastalplain_EIS@blm.gov>

I am opposed to drilling in the Arctic National Wildlife Refuge and I am saddened something as designated as a wildlife refuge can be rushed through the EIS process. I implore you to slow down and use proper scientific methods during the EIS process. Please make sure the comment period is long enough to allow a proper commenting period and please include a No Drill option.
