To: blm\_ak\_coastalplain\_EIS@blm.gov

To whom it may concern,

I do not support any drilling in the wildlife refuge or in the coastal waters or plains. This region is a very special place to me personally, having spent time hiking and paddling in the wilderness there. I also believe that the wildlife, (especially caribou) along with the Alaska Native communities, would be jeopardized by such activities. This is not acceptable.

Sincerely,

Cliff Wilson
