To: "blm\_ak\_coastalplain\_EIS@blm.gov" &lt;blm\_ak\_coastalplain\_EIS@blm.gov&gt;

Do NOT trade away our children's and wildlife's last intact ecosystem for gas and oil that we do not and may never need. Such action is shortsighted, small minded and was simply gamed into a political possibility by self serving politicians. Serve the nation and the world; refuse to sell off a world heritage site.

Sincerely

Lorraine Bonifaci
