[EXTERNAL] Oil and gas leasing in the Artic1 message

Michael Boyer <maboyerks@yahoo.com>

Sun, May 6, 2018 at 6:06 PM

To: blm_ak_coastalplain_EIS@blm.gov

To Whom it may concern,

Please refrain from allowing any drilling in the Arctic. It is a fragile ecosystem and a spill would be catastrophic for ALL life in the area. It would damage the environment beyond repair, as a clean-up would be impossible. I do NOT agree with leasing our public lands for corporate profits. These lands belong to the people of the United States and should NOT be for sale.

Thank you for your consideration,

Jessica Boyer
