

Hi From: Steve

I have backpacked  
in the ANWR, it's 1/2 one  
of the most beautiful  
pristine pieces of  
wilderness in Alaska.

The Backpack ended at  
CAMDEN BAY where the  
ILFV live used to  
be. What a contrast!  
Rusty drums + garbage,  
then went to Deadhorse.  
Please don't turn the  
ANWR INTO NEWARK  
New Jersey. We don't  
need that oil.
