Raven Landing.
949 McGowan Street, Apt. 1-E
Fairbanks, Alaska

I can not believe that
intelligent, aware, grownups, who have
a gifted professional background
and continue to hold privileged
positions of power can be so
insensitive to the beautiful balance
of nature in the ANWR area would
even consider ~~the~~ any behavior
that would violate that beautiful
kingdom !

° Please think about the
values which your church and
mother taught you rather than the
\$ sign — Sincerely,
[Signature]
