

Public Comment on Leasing for Drilling in the Arctic Refuge

Name: Elisabeth Ashley

Address: 917 Springfield Rd,

Wilmington, NY, 12997

Comment: With the threat that Arctic drilling

holds to both animals and to the way

of life of Native tribes, such as the ~~Gwich'in~~ <sup>Gwich'in</sup>

I do not believe that oil and gas leasing

should be permitted. Also, with the

immediate and long term impacts and threats

climate change poses on the planet as a whole, we need to make further steps toward ~~the~~ protecting an environment and using renewable resources.
