**Comments:**

Dear BLM,

I am writing to express my opposition to any oil & gas activities on the Coastal Plain of the Arctic National Wildlife Refuge. Oil & gas activities on the Coastal Plain are a violation of a first people's sacred space. The ecosystems are beautiful & fragile. Oil & ~~Burned~~ Fossil fuels ~~is~~ no longer a viable energy source & should absolutely ~~not~~ be pursued in protected & sacred lands. Go somewhere else to continue destroying the planet. Please help us save the Earth for future generations of people & animals & plants.
