Attn: Coastal Plain Oil and Gas Leasing Programs EIS

I strongly urge you to stop now and future leasing of any areas in the Arctic Refuge and offshore for the purpose of oil and gas drilling. I understand we have large surpluses of both oil and gas. Drilling in these vulnerable areas is unnecessary and harmful to wildlife and our environment.

It is our duty as custodians of this planet to protect these assets.

Sincerely,

A handwritten signature in blue ink that reads "Marjorie Bombar". The signature is written in a cursive, flowing style.
