DEAR Sirs,

THE Arctic National Wildlife Refuge is NO place  
for oil AND gas drilling. Not Now, Not EVER. This is Not  
just about us Now. WE should be thinking of what WE  
ARE bequeathing to future GENERATIONS. This is ONE  
of the last truly wild places in AMERICA. Let us  
KEEP it that way.

Quoting from Sally Jewell, former Secretary of the  
Interior, THE SEATTLE TIMES Sunday edition, JUNE 3, 2018, pA19.  
"This isn't just my opinion: It's what the U.S. Fish  
and Wildlife Service concluded in 2015 after a  
multiyear review that more than a million public comments,  
including from scientists, biologists and Alaska Native  
communities,"

Sincerely,  
LAWRENCE R. JACKSON
