# Notes

Dec June 8-18

Attention:

Do not even think of !!  
drilling in the Arctic Refuge!!  
Do not even consider drilling  
in the Bristol Bay area!!

I lived in Billingsham for 2  
years while I was employed  
with Iditarod Airlines. I learn to  
appreciate the pristine Salmon  
and all the ~~old~~ history  
of that area.
