Coastal Plain Oil and Gas Leasing Program:

The Arctic National Wildlife is not the  
place to drill for oil and gas under any  
circumstances.

No Drilling!

Off Limits!

Big Oil already has massive reserves of oil  
and gas leases and permits.

Enough already!

There is no justification whatsoever for yet more.

The ecological and pristine integrity of Wild  
Alaska needs more protection, not more exploit-  
ation.

Philip C. Hoffmann
