KINDLY DELIVER TO:

Coastal Plain and Gas  
Leasing Program EIS  
222 West 7th Ave, Stop #13  
Anchorage, Alaska

To Politicians that voted for  
the Oil and Gas Leasing Program  
EIS

You can not replace this  
land and water you are  
determined to ruin forever  
knowing that. Shame  
on you for letting money  
and stupidity guide your  
conscience.

Thanks to your Governor,  
she got what she wanted  
You could have said No!
