To Bureau of Land Management -

Stop this ridiculous, short-sighted, Not needed plan to drill & destroy the Arctic National Wildlife Refuge. This is so transparently one sided - Not for wildlife! Not for natural beauty, Not for native Americans, and Not for current and future generations to marvel at. It's all about money, money, money for only

a few. And those few are
already as rich as they
could be and have an
unsatiable desire for

desire and destruction.

All of the promoters of

Stop this march of
destruction.

I may not live in Alaska
but I would welcome
anyone from anywhere

speaking up and against
any destructive plan like
this in my state.

Stop this ridiculous
destructive plan.
