Coastal Plain oil and
Gas Leasing Program EIS
222 West 7th Ave. (stop #13)
Anchorage, AK 99513

To Whom it may concern:

I urge you in the strongest terms to protect Alaska's Arctic National Wildlife Refuge. It is one of the most beautiful, pristine wilderness refuges in the world. I had the good fortune of spending 2 weeks camping there on Lake Takahula in 1974 when I was living in Juneau, AK. Unforgettable.

Bronwyn Vincent
