Dear BLM,

Please accept this letter as a comment  
AGAINST opening up the Arctic Wildlife  
Refuge (ANWR) to oil & gas development.  
The land is worth many millions of dollars more  
in long term use than the oil that  
lits beneath it.

I urge you to protect the Refuge as  
established by Congress in 1960 as a protected  
resource for wildlife & indigenous communities.

Best
