**Re: Comments on the Notice of Intent to Prepare an Environmental Impact Statement for the Coastal Plain Oil and Gas Leasing Program, Alaska**

Dear Ms. Hayes:

I am Canadian Gwich'in. I am strongly opposed to the sales of Leases for Oil & Gas in the Arctic National Wildlife Refuge. I am a mother and grandmother. I and my Gwich'in people depend on the Porcupine Caribou for our Food. We the Gwich'in from Alaska & Canada stand united against any Oil & Gas development in the Arctic Refuge since this would destroy our cultural way of life. I ~~write~~ <sup>write</sup> to you today for my grandchildren and all those not yet born for they will inherit our traditional and cultural teachings and our hope is that our sacred lands is protected. Our Elders call the Arctic Refuge as "Iizhik Gwanbat Gwan-dai Goodlit" the sacred place where life begins. I hope and pray that you will provide a fair Environmental Impact Report that incorporates the Gwich'in values of our connection to our lands, animals and clean water.

Sincerely,
