**Re: Comments on the Notice of Intent to Prepare an Environmental Impact Statement for
the Coastal Plain Oil and Gas Leasing Program, Alaska**

Dear Ms. Hayes:

I lived in the Yukon Territory, Canada all my life + have family connections in Alaska. My daughter is Gwich'in from Old Crow, Yukon. The porcupine herd is essential to All people in Alaska/Yukon/NWT. The caribou herd is the life line of it indigenous peoples. I do not support oil + gas development in the Arctic National Wildlife refuge. This needs to be protected for all generations to come. for all peoples. We cannot afford this precious environment to be destroyed ... it must be protected. Our grandfathers + grandmothers have taught us that we must fight for what we believe it — I believe in the fight for the Gwich'in Nation + all its people it will affect. Protect these land and its precious caribou. Mucci Cho.
