**Re: Comments on the Notice of Intent to Prepare an Environmental Impact Statement for  
the Coastal Plain Oil and Gas Leasing Program, Alaska**

Dear Ms. Hayes:

As a resident of Whitehorse, Yukon I wish to express my  
opposition to proposed oil & gas development on the Coastal  
Plain. Development would negatively impact the Coastal  
Plain's environment which includes the Porcupine Caribou herd,  
which supports the way of life of the Vuntut Gwitchin  
First Nation in Northern Yukon. The United States has  
endorsed the UNDRIP declaration, which recognises that  
'Indigenous peoples have the right to their traditional  
medicines and to maintain their health practices, ~~which~~ including  
the conservation of their vital medicinal plants, animals & minerals.'  
The Coastal Plain currently sustainably supports northern  
communities and this should continue ~~be~~ undisturbed by oil &  
gas development.

Sincerely,

  
Signature.
