To: blm\_ak\_coastalplain\_EIS@blm.gov

DO NOT allow oil and gas drilling in the 1.6-million-acre coastal plain of the Arctic National Wildlife Refuge (ANWR). The area is "the biological heart" of the Arctic Refuge—home to polar bears, caribou, migratory birds and other species—as well as vital lands and wildlife for the subsistence way of life of the Gwich'in Nation. Do not desecrate this fragile landscape!
