To: "blm_ak_coastalplain_eis@blm.gov" <blm_ak_coastalplain_eis@blm.gov>

Alaska needs oil production. The 1002 area of ANWR needs to be opened completely and allow for seismic and ultimately drilling to occur. This area is tiny compared to the entire refuge and will not have any impact on nature or the caribou. The herd in Prudhoe Bay is thriving alongside 40 years of oil production.

Please proceed as Congress intended and see that it remains open!

Thank you,

John Dittrich
Anchorage, Alaska
