To: blm_ak_coastalplain_EIS@blm.gov

I need to go on record to oppose this proposal. Our brothers, the Alaskan natives depend on the caribou that utilize this wilderness. It is an act of racism to deprive these native peoples of the food they need to survive. The land in This part of Alaska is fragile. Impacts last for generations. It is wrong to scar it.

Respectfully,

Joyce C. Forbush

"We must learn to live together as brothers or perish together as fools."
