Dear BLM,

The proposed oil and gas leasing on/in the Arctic National Wildlife Refuge is something that never should happen. I personally have floated the rivers onto the Coastal Plains and find it hard to believe that we as intelligent people could ever allow this to happen. TRUMP BE DAMMED!

NO NO NO NO NO drilling for oil and gas on ANWR!!!!!! This response is one of millions of us who care for the sanctity of that wild place!

Signed, *Ann Leonard*
