To Whom It May Concern;

My name is Jay Ahrenholz and I am employed by Airport Equipment Rental, Inc in equipment sales and leasing. On behalf of our owner, his family, and our 125 Alaskan employees and their families, I would like to express our support for and ANWR lease sale. Our company has operated on the North Slope for 24 years and has participated in nearly every significant project during that time. Alaska has a 50 year track record of responsible oil and gas development on the North Slope. Our health, safety and environmental standards are the highest in the world. We fully support the lease sale. Thank you for your time and consideration.
