Recently the Bureau of Land
Management released a plan to
offer 1.5 million acres (part of
Plain of Anetics National Wildlife
Refuge) to oil leasing and develop-
ment. This will adversely affect
many of the wildlife animal
and birds.
Sometime in recent years
some of our citizens desired
to save land and animals
but now greed will
needlessly destroy Mother Nature
for the benefit of a few. I am
93 years old and I plead
for keeping this northern
treasure as is. We don't need
the oil. Please stop the rape
of the North. Sincerely Kenneth
Johnson
