Dear BLM:

I support the 'No Action' alternative, which doesn't allow oil and gas development on the Arctic Refuge Coastal Plain. This is the only alternative that treats the Arctic Refuge as a Refuge, and not an oil field. It's the only choice for keeping our public lands legacy strong. BLM must consider the importance of the subsistence and conservation values that have been protected in the Arctic Refuge for decades.

This land belongs to the wild and the animals. Once you destroy it you can't put it back. I have not been in Alaska long but it is by far the most beautiful and wild place I have ever been.

Sincerely, *Magen Coriselle*
