To whom this may concern:

I am writing this letter in favor of  
Drilling and exploration in ANWAR.  
for oil and gas we need this resource  
and I hope you will go ahead with  
plans to recover needed petroleum from  
that area.

We have radical environmentalist who  
want to stop everything  
There is no reason not to go in there  
(the Alaska National Wildlife Reserve)

Sincerely

John F. Ford
