To Coastal Plain Oil & Gas Leasing EIS people -

Please do not permit oil drilling in the Arctic National Wildlife Refuge. This would be devastating for wildlife and human populations. The purpose of a WILDLIFE REFUGE is to be a REFUGE for WILDLIFE from the poisons of development. Its purpose is also to give humans a place to experience nature and benefit from the healing influence of nature.

PLEASE DO NOT PERMIT OIL DRILLING IN THIS SPECIAL PLACE!

Thank you for taking my comments.
