

BLM: I support the 'No Action' alternative, which doesn't allow oil and gas development on the Arctic Refuge Coastal Plain. This is the only alternative that treats the Arctic Refuge as a Refuge, and not an oil field. It's the only choice for keeping our public lands legacy strong.

Additional comments: As an Alaskan resident who has experienced the Arctic Refuge and it's breath-taking beauty and eco system (untouched); I strongly support 'No Action' alternative.
