### Comments:

The Arctic Cultural and Coastal Plain Act is an incredibly important bill and is absolutely necessary for the preservation and conservation of the local people, centuries of history, pristine wilderness and the MOST abundant form of life in the entire United States. ~~AND~~ To develop this area for oil and gas drilling is IRRESPONSIBLE, SELFISH and ABSURD. Oil/gas drilling would destroy the life of thousands of animals and humans. ~~Don't~~ Let it not be the generation that ruins this incredible place.
