Comments:

1st thought - Fully endorse Coastal Plain development
Sooner is better. State of art technology assures
we can do this safely. National Security, State
Financial Security, Jobs for Alaskans Throughout
Country will provide jobs throughout
~~Alaska~~ America. Promised for us under
Constitution we could do this, we've waited
long enough.
Oil flow rate for pipeline, it's
critical to have more oil for temperature?
Flow rate, which is a 1/4 capacity now.
Temp is so low it's at critical point
