Ms. Nichole Hayes, Project Manager
Coastal Plain Oil and Gas Leasing Program EIS
BLM Alaska State Office
222 West 7th Ave., Stop #13
Anchorage, AK 99513

I strongly support the proposed leasing program that would allow limited activity within the non-Wilderness portion of the coastal plain of ANWR.

Without limited oil development on the coastal plain, America will be forced to once again increase its reliance on foreign imports. With limited development in ANWR, America and Alaska can continue to grow the economy and reduce dependence on foreign oil.

Sincerely,
