Dear Sir/Madame,

I strongly oppose oil and gas leasing in the Arctic National Wildlife Refuge for both environmental and cultural reasons.

The Gwich'in Tribe depends on caribou for food. Drilling could lead to environmental disaster which would threaten their existence and way of life.

ANWR needs our protection, not exploitation for commercial use. Please use your authority to deny oil and gas leasing in this last of our unspoiled treasures, the Serengeti of North America.

Sincerely,

A handwritten signature in cursive script that reads "Fran Schwartz".
