No Arctic oil Exploration  
in the Coastal plain of the  
Arctic Wilderness Refuge.

Dear Coastal Plain oil and Gas leasing <sup>EIS</sup> Program

I recently visited Alaska for the first time and was taken aback by the beauty, the wildlife, and the... silent stillness.

This last piece of wilderness is so precious. It is what makes America what it is! Without it we would not be America. The lasting pieces of animal refuge. Oil is not a sustainable source of energy anymore. The Wilderness is infinitely more valuable.

With deep respect for the wild,
