Re: Comments on the Draft Environmental
Impact Statement for the Coastal
Plain Oil & Gas Leasing Program,
Alaska.

Dear Ms Hayes:

I am writing to express my
opposition to any oil & gas activities
on the Coastal Plain of the Arctic
National Wildlife Refuge.

Our land, water & animals are very
important to the Gwich'in People. We
fish, hunt, gather & use all parts
of the Caribou - the porcupine Caribou
herd.

If our land and water is gone
over, the Gwich'in People, way of
life is gone.

Sincerely
Carol Sheawfelt
